

OUTFIT YOUR CREW WITH REVI WEAR

With over 20 years of experience, Revi Technical Wear is a leader in custom sublimated garments and accessories.

We make the task of buying workforce uniforms easy, working one on one with you to make sure your order is correct and on time. Our expert art department will create a look that accents your corporate branding and helps set your business apart from the rest.

The Revi Wear Process creates a bright image on fabric that never cracks, fades or inhibits moisture transfer. All of our clothing is machine washable and wrinkle free. Simply put, with Revi Wear your crew will look sharp and be much more comfortable in the field. Give us a call today, we'd love to be a part of your team.

Sincere regards,

Jimmy Murray – Owner, Revi Technical Wear

"It breathes! We can do an installation in a hot attic and come out much cooler and drier than in our old cotton shirts."

“Discovering Revi Wear has been a fortunate event for us. We are getting over twice the wear time out of these shirts compared to the cotton polo shirts of the past. Our guys love looking sharp and we have really cleaned up our look.”

Steve Allen – Owner, Allen’s Plumbing, Kahului HI
